

Simply, Conferencing

CentraCall Lite – Features and Benefits

CentraCall Lite gives you access to an on-demand audio conferencing service 24 hours a day, seven days a week without the need to make a reservation or use an Operator. Holding a conference is as simple as dialing a permanent number and entering a numeric code.

No invoices, no bills, no fuss!

CentraCall Lite is a basic audio conferencing service that offers you quick access to conferencing, with no invoices and no billing issues - just a conferencing service you and your organization can utilise to collaborate quickly and effectively.

Instant communication for up to 30 participants

Two unique codes are issued to new users:

- A Conference Code. This is entered by the Leader and all participants at the start of the call
- A Leader PIN. This is also entered by the Leader after they have entered the Conference Code

The call starts after the Leader has entered their PIN.

Features of CentraCall Lite

- Same number for all users to dial-in, regardless of whether they are leading a conference or joining another person's conference
- Basic features makes it uncomplicated to use and aids you in collaborating with colleagues quickly
- Up to 30 people can conference at a time
- No invoices means your organisation can use a conferencing service without worrying about payment terms or purchase orders – charges are made to each user's telephone bill.
- No time limits or bookings required – you can conference at any time, 24/7, for as long as required
- Further services are available if required – operator assisted, event or video conferences are supported should your organisation require it

Benefits of CentraCall Lite

- Easy to use – no complicated keypad commands
- No invoices – users are charged via their telephone bill
- No paper or branded materials are sent to you – an environmentally friendly alternative to travelling
- Allows large groups of people to meet quickly and easily
